FOREWORD

This book records, for you and me,
Names, from many a family tree,
Of members gained since '41
And the brave deeds their sires have done,
Entitling us, as progeny,
To honor, thus, our ancestry.
This heritage we guard with pride,
A sacred legacy and guide
To serve, to-day, our U. S. A.
As well as they who led the way.
For all our forebears dared to do
May echo come, "We're proud of you!"

Mrs. Albion M. Boothby
National President
National Society Daughters of Colonial Wars
1941 - 1944

ADMINISTRATION OF MRS. ALBION M. BOOTHBY
1941 - 1944

Reviewing the three years of my regime as National President, I am abundantly aware of the outstanding work each State Society has accomplished for its Country, its State, and the National Society; and of each State Society's loyal cooperation with me.

The record of war work in your communities and your National War Project, for which we are receiving citation from our Government, are attainments of which we may be justly proud.

Because of the emergency, we have held but two annual meetings. Both of these were well attended and highly instructive —especially the reports of our many activities. An increase in membership of 279 (net gain) is most gratifying, under wartime conditions.

We are happy at this meeting to present a Charter to the Society Daughters of Colonial Wars of the District of Columbia, which was organized February 27 by Mrs. L. H. Rundstrom, who has done a conspicuous piece of work, especially in times such as these.

The History of the Society, as now recorded, gives an excellent idea of the work consummated.

Your President acknowledges with deep appreciation all the many courtesies extended to her, representing the Society, and regrets that it has been impossible for her to accept all the generous invitations. The confidence and the friendship of the Daughters have been a rich reward for whatever service she has been privileged to render. My debt of gratitude to those who have given so willingly of their time and energies in helping to promote the work can scarcely be repaid by any acknowledgment made within the limits of a brief report.

I have been unable to meet with every State Society; but, when it has been possible to travel, I have been delighted with the cordial receptions given me by the fourteen Societies I have visited.

The presentation of an x-ray unit machine, at a cost of $1,042.75 to the Surgeon General for the use of the Armed Forces overseas in honor of me was worthy of the dignity and prestige of the National Society. A citation, "in recognition of the patriotic and generous donation made to the United States," was received from the Secretary of the Treasury, Mr. Henry

Morgenthau. A bronze marker inscribed, "Presented by the National Society D. C. W. in honor of its National President, Mrs. Albion Boothby, 1941-1944," was placed on this gift. The tribute which you paid me by contributing the funds for the War Project in my name will always be a cherished memory, for which I am sincerely grateful.

Upon my election as your National President, I asked for your love and cooperation; as true daughters of Patriots, you have fulfilled this request abundantly.

Honorary National President

Mrs. Frederick Arthur Sapp
National President
National Society Daughters of Colonial Wars
1944 - 1947

ADMINISTRATION OF MRS. FREDERICK ARTHUR SAPP

1944 - 1947

During the three years of my administration, intensive rehabilitation work was done in veterans' hospitals by our National Society Daughters of Colonial Wars. In October, 1944, at our Council meeting at the Mayflower Hotel, Washington, D. C., we voted $1,500 from our treasury, collecting later from State Societies, for a Graphic Arts Department at the Naval Hospital at Mare Island, California. This hospital was designated as an amputation center, and the work there was primarily concerned with the rehabilitation of the amputees coming from the South Pacific. The Graphic Arts Department included printing presses and the necessary type, and here the leg-arm amputees were given pre-vocational training.

In April, 1945, your National President, Mrs. Sapp, was awarded a Certificate of Meritorious Service by Governor Dwight Green of Illinois "in recognition of services faithfully performed in the Illinois campaign to enlist women for Army General Hospital duties in the United States Army at the request of the Chief of the Army, General George C. Marshall."

Our four Honorary National Presidents were presented pins by the National Society. A small bar with the word "Founder" was attached to the pin of Mrs. Ellison.

Prizes were given for original articles on Colonial Soldiers, for Colonial documents, State scrapbooks, etc.

The Annual Meeting which was to have been held in Chicago in April, 1945, was cancelled by the Office of Defense Transportation.

In October, 1945, your President presented a State Charter to Mrs. Charles S. McCann, Organizing President of the State of Wisconsin, at the October Council meeting, held at the Netherland Plaza Hotel, Cincinnati. Mrs. Henry B. Joy, Chairman of the War Project Committee, recommended that we again vote a contribution of $1,500 from the National Society to be sent the Commandant at Mare Island to aid in their work for the amputees. This was voted, and much recreational equipment was bought with this money.

Our Thirteenth Annual Meeting was held May 18, 1946, in the Venetian Room of the Ambassador Hotel, Atlantic City,

N. J. At this meeting it was reported that Mrs. Frank Dexter Ellison, our Founder, died January 8, 1946.

We voted to give $1,500 to the General Post Fund of Percy Jones Veterans Hospital, Fort Custer, Battle Creek, Michigan, for various recreational activities and entertainment and for purchasing items needed by patients. $25.00 was given yearly to our National Shrine of the Bill of Rights, St. Paul's Church, Eastchester, New York. It was voted that we have membership certificates to be given by the National Society—also that members be allowed to buy officers' pins and ancestral bars.

The October 18, 1946 Council Meeting was held at Hotel 2400, 16th Street, N. W., Washington, D. C. The Fourteenth Annual Meeting, May 14, 1947, was held at Mayflower Hotel, Washington, D. C. During the year a Juke Box was purchased for $375 on recommendation of our War Projects Chairman, Mrs. Henry B. Joy, who felt this was one of the pressing needs for recreational periods at the General Hospital Annex at Percy Jones. This Juke Box was arranged so it could be played without depositing any money. State Societies contributed the money for the hospital funds donated and for the Juke Box. Officers and State Societies did outstanding work during 1944-1947.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS
1947 - 1950

1947 TO 1950

ACHIEVEMENTS OF THE NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

MRS. BENJAMIN FRANKLIN BUCKLEY, *President*

On October 11, 1947, a display flag bearing the name and insignia of the National Society Daughters of Colonial Wars, was presented to Dean John W. Suter to be placed permanently in the great nave of the National Cathedral with the flags of other societies. Photographs were made of this presentation for the permanent records in both the Cathedral and the records of our Society. On October 12 an all weather flag of the National Society was placed in the custody of the Society of the District of Columbia for use on ceremonial occasions. It was carried for the first time on Navy Day, October 27, 1947.

A gift of $25 for each of the three years was made to St. Paul's Church, the National Shrine of the Bill of Rights. Many of the States made additional gifts to this Shrine.

Our Society was the recipient of two valuable books: one, a "Brief History of the Colonial Wars in America from 1607 to 1775" from the Society of Colonial Wars in the State of New York; the other, "The Comer Family" from the Alabama Society.

For two years our National rehabilitation work was with the Percy Jones Hospital when we gave $1500 a year for the work there. It was used in the following way; rug project, $500; mechanics for Hobby Shop, $500; replacement of phonograph records, $250; bowling alley and pins, $250. Again the same amount was spent the following year for assistance to and amusement of our War Veterans, whom we wanted to honor and assist in every way we could. As changes are to be made at Percy Jones, it was voted to replace the work with another project. This new work is with the Frontier Nursing Service. It was voted to give two scholarships there for the training of a nursing service which serves the people of isolated mountain communities. This was given in honor of the president.

Scholarships for education for Citizenship have been given by New Jersey, North Carolina and Virginia.

A marker to Colonel Ezekiel Worthen, soldier in several Colonial Wars, was erected and dedicated in New Hampshire.

Many of the States are restoring their own records, notably Virginia and North Carolina. Kentucky has collected and printed hitherto unpublished Bible and other records in a book of four hundred pages.

On May 14, 1949, just thirty-two years to the day from the founding of the Society Daughters of Colonial Wars by Mrs. Frank Dexter Ellison, a wreath was placed in loving memory of our revered Founder. And in this year the second Volume of Lineage Book was compiled by our National Registrar, Mrs. George Minor Spangler.

Two new Societies have been added to our list between the years of 1947 to 1950—Mississippi and Alabama. Two new Organizing Presidents, Mrs. Eugene V. Holcombe for West Virginia and Mrs. Henry Jackson Munnerlyn for South Carolina have been ratified.

Our Society has grown in membership in each state. Each State has chosen its own work in the various branches of our work.

Our By-laws were revised and printed in 1949. A National Yearbook was compiled and printed in 1947.

NEW JERSEY SOCIETY

OUTSTANDING ACHIEVEMENTS OF THE NEW JERSEY SOCIETY

NEW JERSEY ORGANIZED, MARCH 12, 1930

The Society, since March 1932, has continued with its $200 a year college scholarship to a New Jersey girl of Colonial ancestry. This scholarship is given in honor of New Jersey's Organizing President, Mrs. Almerin Marston. In 1949 the scholarship was increased to $250.

During the War years the Society contributed generously to the National Society's War projects. The Society purchased War Bonds. Money and gifts were contributed to the New Jersey's Camp Kilmer, Camp Dix and Camp Meade. At Christmas many buddy bags and bedside bags were distributed. Members served in bond and stamp booths; worked on U. S. O. Committees; on defense councils; emergency canteens, etc. Members in the Atlantic City area formed a sewing unit and altered thousands of garments for the service men then stationed in Atlantic City.

The Society prizes greatly the Citation it received from Henry Morgenthau, Jr., (the then Secretary of the Treasury) for its contribution of a Metal Locator to the Forces of General Douglas MacArthur. The money to purchase same was raised by individual subscription and a card party.

The refurnishing of the recreation room at the Naval Air Station at Cape May, New Jersey, with ping pong tables and other recreational equipment is another outstanding piece of work done by the Society.

575 hospital scrap books were made and distributed. How much these books were appreciated can be gathered from a sentence in a letter to the State Chairman, Mrs. John F. McMillan, from the Captain in charge: "they will be put on the wards and read, I am sure, until they are no longer serviceable".

The Society does some work with the blind and has donated money for binding braille volumes of the Readers Digest.

We have made substantial donations to the "Home for the Homeless" at Trenton. During the drive by the Society of Friends of Philadelphia 781 cans of Heinz Baby Food were sent to orphaned children of Europe.

The Society contributes each year to the Old Barracks at Trenton. It was in this historic building that the men were quartered during the French and Indian War.

Contributions have been made to the New England Historic and Genealogical Society for restoration work,—to the Red Cross and to numerous other national drives.

A series of historical articles was published in a New Jersey newspaper and copies have been placed in the National Society's scrap book.

A Yearbook with reports of officers and committee chairmen, names and addresses of members, etc., is compiled and mailed to members and national officers each year.

The Society shows a steady, healthy growth and the members take great pride in the achievements and accomplishments of their Society.

ILLINOIS SOCIETY

OUTSTANDING ACHIEVEMENTS OF THE ILLINOIS SOCIETY
ILLINOIS ORGANIZED, FEBRUARY 22, 1932

The Illinois Society has steadily grown since 1941. The membership has more than doubled in eight years, having increased from 80 to 165.

During the regime of Mrs. William C. Fox, 1941 to 1944, there was an increase in membership and in interest. The high spot of the regime was a luncheon given by the Illinois Society during the D. A. R. National Congress in Chicago. At this delightful affair for the National Officers and delegates 175 guests were present.

In 1944 Mrs. Charles Curtiss was elected President of the Illinois Society. During this time Illinois had two National Officers: Mrs. Frederick Sapp, who had been elected National President, and Mrs. William C. Fox, who had been elected National Corresponding Secretary. Their presence at the meetings of our Society was an inspiration to all the members. In 1945-46 Illinois led all states in new members, 20 being welcomed into the Society by Mrs. Curtiss during this period.

In 1947 Mrs. Curtiss was elected National Second Vice-President. Mrs. Sapp was made Honorary National President. It has been of great benefit to the present Illinois President, who succeeded Mrs. Curtiss in 1947, to have the counsel of these fine National Officers. In 1948 when the National Registrar resigned, our own Mrs. Spangler was appointed to complete her term, and her presence with us has been a distinct contribution.

We have continued to have five luncheon meetings each year, all at the Chicago College Club. We have also had each year a breakfast the first day of the Illinois D. A. R. Conference.

In 1947 we printed our 1947-1950 Year Book, containing the names, addresses and lineage of all members and other pertinent information. In 1948 we printed a six-page supplement containing names and lineage of all new members, of all supplementals approved and other changes in membership. Our 1949 Supplement is an eight-page booklet.

In the two and one-half years of this regime to date we have had 25 new members and have many likely prospects. We have had 84 supplementals accepted. Our membership at present is 165.

Our programs, arranged by our State Vice-President and program chairman, Mrs. Alonzo Newton Benn, have been planned to interest a patriotic group such as ours.

We have each year supported the National project. In the last two years we have contributed $125 for Percy Jones Hospital.

OUTSTANDING ACHIEVEMENTS OF THE NEW YORK SOCIETY

NEW YORK ORGANIZED, SEPTEMBER 24, 1930

During the Second World War, New York State members worked tirelessly for National Defense in its various phases. All bought Bonds and Stamps, contributed liberally to Red Cross and Welfare organizations. The members knitted, sewed and collected clothing for British War Relief, secured books for service men's hospitals and worked in canteens, hospitals and relief centers. Gave $250 to War Relief Projects.

The State By-laws have been revised to conform to those of the National Society.

The National Society's rehabilitation work at Percy Jones Hospital has been generously supported. Contributions have been made to St. Paul's Church, Eastchester, New York, the National Shrine of the Bill of Rights. Other worthy causes have been supported.

Emphasis is placed on the importance of increasing membership with gratifying results as the Society is growing rapidly.

Our programs have provided excellent speakers on subjects pertaining to our period and one program is devoted to some phase of National Defense.

Meetings are held four times a year, a Council meeting in the morning followed by luncheon and the membership meeting in the afternoon. The Annual Meeting is held in March and Guest Day in May.

Ninety-nine of these names appear on the 117 original application papers, leaving 141 names for the Society's 251 supplemental papers. Our present membership is 79 active members. Special credit for this growth goes to our Mrs. Arthur Mason Johnson (Mary A. Peale) for her unselfish efforts. She is a Past State President; has served as National Chairman of National Defense and has been elected to the Order of the First Families of Virginia.

The Society has been honored by the selection of our Past State President, Mrs. John Whitttier Howe Hodge, as Third Vice President of the National Board. War Work: 6574 hours were given to Recreation Centers; 4526 hours to Red Cross service. Our members purchased over $90,000 worth of War Bonds.

Outstanding Achievements of the Pennsylvania Society

Pennsylvania Organized, February 15, 1933

The Society Daughters of Colonial Wars in the State of Pennsylvania, Inc. was organized by Mrs. Harper D. Sheppard in 1933. Mrs. George Horace Larimer followed Mrs. Sheppard, and the third President was Mrs. Robert Bruce Lewis. In 1941 Mrs. Maurice V. Sweeney was President, and under her regime $35 was voted for the preservation and restoration of the Continental Journal and the New England Chronicle (both Boston newspapers) and 3 volumes of miscellaneous New England newspapers of the period 1725 to 1800. $50 was contributed to Southwark Neighborhood House. $50 was given for a stone in the Bell Tower at Valley Forge. $25 was given to Red Cross. $25 was given to the Salvation Army. One copy each of the D. C. W. Lineage Book was given to the Historical Society of Western Pennsylvania at Pittsburg, to the Historical Society of Philadelphia and to the State Library at Harrisburg.

Mrs. Ellwood J. Turner was our next President. $25 was given to each of the following: Red Cross, Salvation Army, Southwark Neighborhood House and the Valley Forge Memorial Museum. $100 was given to the National Society for the purchase of the X-Ray Field Unit and $100 to Red Cross for blood plasma.

Miss Hazel Glessner succeeded Mrs. Turner as President. During this regime $50 was given to Salvation Army, $100 to Graphic Arts Department, Naval Hospital, Mare Island, California. $25 was voted to buy books for the Warren, Pennsylvania, Hospital; $50 for Greek War Relief; $25 to Percy Jones Hospital; $50 to York Historical Society; $50 for Juke Box for Percy Jones Hospital and $5.70 for Friendship Train.

We are sorry to report the death of Mrs. Robert Seldon, State Treasurer.

Mrs. J. G. Forney succeeded Miss Glessner. $335 has been given for the rehabilitation at the Percy Jones Hospital. At our regular meetings we have speakers on National Defense or some interesting historical spot.

We are proud and honored to have one of our Past State Presidents now the National Treasurer of the Daughters of Colonial Wars.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

A committee asked the Pennsylvania Daughters of Colonial Wars to select one we thought was Pennsylvania's distinguished daughter. We sent in the name of Dr. Victoria Lyles, York, Pennsylvania. We are proud that she was selected as one of Pennsylvania's Distinguished Citizens.

It is with regret that we report the death of Mrs. John J. Repp, State Historian, Pennsylvania. The D. C. W. have lost a loyal member and a loyal friend.

MAINE SOCIETY

OUTSTANDING ACHIEVEMENTS OF THE MAINE SOCIETY

MAINE ORGANIZED, JULY 31, 1933

July 31, 1941, the Society placed a bronze tablet on the walls of historic old Fort Frederick at Pemaquid. This was to honor and commemorate Captain John North, 1698-1763, Commandant of Fort Frederick, Pemaquid 1744-1756, alternately in charge of the Fort on the St. Georges River and of Fort Frederick, Pemaquid, 1756-1763. The tablet also honors Captain North's two sons, Colonel Joseph North and General William North, who with their father were intimately connected with the history of Fort Frederick which was built on the ruins of Fort William Henry. At the marking, our National President, Mrs. Albion Boothby, was present.

Photostatic copies of many Colonial Maine Muster Rolls have been given to the Maine Historical Society and typed copies to the Maine State Library and to the Bangor Public Library.

Contributions have been made to every National project.

The Society has annually given money to the Maine Historical Society for the purchase of books on genealogy and colonial history.

In 1943 the Society contributed money toward the binding of five United States Census Lists, Maine.

Copies of the 1941 Daughters of Colonial Wars Membership List and Index of Ancestors were presented to the Maine State Library and Maine Historical Society.

Yearbooks are printed triannually, three having been printed since 1941.

At the mid-summer meeting of 1944 held at the Lafayette Hotel, Portland, there were present as guests four National Officers, Mrs. Henry B. Joy, First Vice President; Mrs. John F. Weinmann, Third Vice President; Mrs. Frank L. Nason, Organizing Secretary, and Miss Elizabeth F. Reed, Historian.

May 16, 1949, the Society held a special meeting at the Mansion House, Poland Spring, honoring our National President, Mrs. Benjamin F. Buckley. August 1, 1949, the Maine Society was hostess to the New Hampshire Society at a meeting at Black Point Inn, Scarboro.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

The Society honored its Organizing President, Mrs. Blaine S. Viles by presenting her with the Organizing President's pin. Past Presidents' pins have been presented to each retiring President at the end of her term of office.

The Maine Society takes pride in its Genealogist, Mrs. Guy O. Vickery, who has served in that capacity since the Society's organization in 1933. She has the exceptionally fine record of never having a paper returned to her by the National Genealogist during the sixteen years she has held this office.

Members of the Maine Society who have held office in the National Society since 1941 are Miss Elizabeth F. Reed as National Historian; Miss Elizabeth F. Reed, Mrs. Edward G. Vaill, Miss Carmeta J. Appleby, National Councillors.

OUTSTANDING ACHIEVEMENTS OF THE OHIO SOCIETY

OHIO ORGANIZED, NOVEMBER 22, 1933

The Ohio Society had as its President from 1941-1944, Mrs. Edwin B. Tizzard, who served faithfully and was then honored by being elected National Chaplain. All National projects were subscribed to during her administration.

Mrs. J. E. Kinney followed Mrs. Tizzard as State President and during her regime $50 was given annually to the Percy Jones Hospital Fund. State dues were raised to $5.00 annually and the treasury was left in good condition. Mrs. Kinney likewise was elected a National Officer—Custodian of the Flag.

Mrs. J. S. Heaume became State President in 1947. All National projects have been supported during this administration. Many new members have been accepted into the Ohio Society. All meetings have been well attended and interest has never slowed down. Most meetings are held in Columbus, due to the central location; but three have been held in Springfield in June and have been very happy occasions.

The Ohio Society was organized in 1933 by Kathryne Meredith Harter. Twelve Chapter Members are still active. It was a great loss to the Ohio Society when Mrs. Harter died in 1948. A revolving scholarship fund is established in her honor at Lincoln Memorial University.

Ohio's present National Officer, Mrs. James E. Kinney, Custodian of the Flag, has been more than faithful to her position and has brought added honors to the Ohio Society.

Three yearbooks have been published and by-laws revised. At the time of D. A. R. State Conferences, midnight suppers have been held and distinguished guests invited. These meetings serve as delightful contacts between our members and those attending the State Conference.

At the June meeting in 1949 it was voted to purchase seven National Volume 2 Lineage Books—these to be placed in genealogical libraries over the State and one to be held in this Society. Bookplates were likewise ordered from the National Society.

The present State President reports the Ohio Society to be in a healthy condition and ready and anxious to subscribe to any National project ordered.

OUTSTANDING ACHIEVEMENTS OF THE NEW HAMPSHIRE SOCIETY

NEW HAMPSHIRE ORGANIZED, JANUARY 31, 1935

The Society has made a survey of the state to ascertain the early landmarks, boundary stones, industries of the colonial period, buildings, educational institutions, and Indian sites and lore. Pictures and literature of whatever remains that is colonial in New Hampshire have been collected and compiled in a scrap book for the records of the Society.

When activities were curtailed during the Second World War there was a commendable spirit of patriotism and members throughout the state were engaged in some branch of home service.

A Lineage Book and several histories of early New Hampshire towns have been presented to the Shreveport, Louisiana Library.

A substantial sum was donated to assist in the preservation of the Sandown Meeting House, oldest in our state that remains as originally erected 1771-1774.

A Memorial has been erected at Eastman Corner in Kensington commemorating the achievement of Major Ezekiel Worthen at the Siege of Louisburg. Major Worthen was given the task of fortifying "Light House Cliff" from which the English-American cannon reduced the French fort and caused the enemy to surrender June 17, 1745

The marker placed at the site of his home was unveiled by two small children in colonial costume; Nancy Durgin of Wellesley, Massachusetts; a direct descendant and Karl Johnson of Hollis. The exercises were conducted by Mrs. Joseph E. Floyd, President, and the Reverend Roland D. Sawyer of Kensington gave the historic address. A wreath was placed upon the grave of Major Worthen by Mrs. Walter R. Peterson, Historian.

The Society was honored by having as guests for the occasion Mrs. Benjamin F. Buckley, National President; Mrs. Frederick G. Bauer, President of the New York Society; Miss Carmeta J. Appleby, President of the Maine Society and Mrs. Frank L. Nason of Massachusetts, National Chairman of Parliamentary Law.

Mrs. Guy E. Speare, Honorary President, published a booklet, "Historic Bells of New Hampshire", an industry that began in colonial days.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

Mrs. Howard E. Thompson participated in the national colonial story contest and her paper on "Hannah Dustin" received the prize awarded by Miss Elizabeth F. Reed, National Historian.

Mrs. Carl S. Hoskins served as chairman of the nominating committee for the National Society in 1944.

National Councillors: Mrs. James B. Kemper, Mrs. Guy E. Speare and Mrs. Joseph E. Floyd.

BANNER
OF
MICHIGAN SOCIETY

Outstanding Achievements of the Michigan Society

Michigan Organized, March 25, 1936

The Society Daughters of Colonial Wars, State of Michigan, has, since its organization by Mrs. Henry Bourne Joy, in Detroit, March 25, 1936, been guided by only 4 State Presidents: Mrs. Joy, Mrs. George W. Moran, Mrs. Harold M. Hastings and the present head, Mrs. Osmond D. Heavenrich. Each president contributed something different, though vital.

Well organized by Mrs. Joy, a close tie with the National Society was established. Members met the National Presidents when meetings were held at Mrs. Joy's home, while these officers were her houseguests. Always hospitable, Mrs. Joy was gracious about opening her home to members on many occasions.

Mrs. Moran, a fine presiding officer, was resourceful in choosing sites for meetings which could be reached by train in the days of the gasoline shortage. When other groups were discontinuing because of transportation difficulties, she held the membership together by combining forces with another group of almost identical membership. One group met in the morning and the other in the afternoon. with a joint luncheon between.

The friendliness of Mrs. Hastings, combined with the energy of Mrs. Lloyd DeWitt Smith as membership chairman, increased the membership rapidly. The present goal of Mrs. Heavenrich is to reach a peak of 200 members in honor of our organizer, Mrs. Joy, by the end of this regime.

Projects were almost always war projects. The Berman Locator, which saved so many lives at Pearl Harbor, was given to other Army Hospitals. Michigan hospitals were recipients of afghans and other gifts. When Mrs. Joy, as National Chairman of the War Project at the beginning of the present administration, chose Percy Jones Hospital at Battle Creek, Mrs. Heavenrich asked every Michigan member to "give or earn" $5.00 besides dues to this project in support of Mrs. Joy, the response was gratifying. A few States even exceeded Michigan's quota, to our surprise and delight. This hospital no longer needs our assistance, so this project is being discontinued, we are told.

We still miss the verve and vivacity of our charming Historian, Mrs. Curtis T. Wolford, who left us suddenly after returning from the Atlantic City meetings. She died in office, the predecessor of the present Historian. We are fortunate in having lost only a few of our original members.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

We are proud of the honorary degree of Doctor of Arts conferred upon our organizer, Mrs. Joy, by Wayne University, in recognition of her humanitarian efforts upon hospital boards and in many similar capacities. The Michigan Chapter sent a fine Point lace handkerchief, with a lovely card to Mrs. Joy on the occasion of her 80th birthday, June 9, 1949. A number of members were present at the tea given at the Grosse Pointe Club for her by her daughter, son and daughter-in-law. Mrs. Joy was surprised at the number of guests, having expected only relatives and a few close friends.

We are proud of the elevation of our Mrs. Hastings to the office of National Historian and endeavor to support her by sending a good delegation to the National meetings. Others of our members have been honored by the National Society in various ways.

Our member, Mrs. Tombaugh, presented us during Mrs. Hasting's presidency with a gavel made of historic wood—the malet of wood from the belfry of Old North Church, Boston. The present historian gave the Society a paper weight made of wood from a palisade post from the stockade around Fort Pontchartrain (original name of Detroit). Mrs. Hastings had a silver band attached to this relic with an inscription worded by Mrs. Savage. When the Detroit Historical Museum is completed (planned for 1951) the Society hopes to have cases in which to display these historic relics.

We have enjoyed many fine programs. One paper "As the Dutch Twig is Bent, so the New York Tree is Inclined", by a guest speaker; some "Historical Romances" from Michigan Colonial History, by our new member, Mrs. Thad Stevens Varnum, formerly with the Michigan Historical Commission; and a charming book review on "Abigail Adams" by our remarkable member, Mrs. Albert E. Stewart, being outstanding.

At present we are interested in the approaching observance of the 250th birthday of Fort Pontchartrain (Detroit) in July, 1951. We have offered our cooperation in whatever way it would be most helpful to the City Historiographer who had asked for suggestions for a suitable celebration. The Detroit Historical Society will concentrate on the completion of its Museum.

NORTH CAROLINA SOCIETY

OUTSTANDING ACHIEVEMENTS OF THE NORTH CAROLINA SOCIETY

NORTH CAROLINA ORGANIZED, APRIL 4, 1936

Mrs. G. D. B. Reynolds, our Historian, has compiled 3 Scrap Books. One is filled with clippings concerning the Army Maneuvers in the Carolinas for a period of 8 weeks. One is a history of the first 5 years of our organization in North Carolina. The other contains items of purely historical subjects.

Three Lineage Books, which were given to the Society by Mrs. J. S. Welborn, have been placed in the Greensboro Public Library, the Charlotte Public Library, and the Library of the University of North Carolina.

A book of Colonial Records of Edgecombe County was laminated for the Department of Archives and History of North Carolina. Another book containing miscellaneous records from several counties was also laminated for the Archives.

Mrs. John A. Kellenberger gave a piano to Crossnore School. Scholarships have been given to students at Crossnore each year by our Society and by individuals. Boxes of clothing and other contributions have also been given to this Institution.

Ours is one of the organizations in the State that will have a part in furnishing Tryon's Palace in New Bern after it has been restored. A Tryon's Palace Fund has been set up for this purpose. One of our members, Mrs. J. E. Latham, has given $250,000 for the rebuilding of the Palace. Mrs. Latham has also purchased some valuable pieces of furniture to be placed in the Palace. These are now in the Museum at Williamsburg, Virginia.

Tryon's Palace, the first Capital of North Carolina, was erected in New Bern, 1767-1770, by the Royal Governor, William Tryon. The first Provincial Convention was held there in defiance of Royal orders, on August 25, 1774. The second Provincial Convention was held there the following year. The rebuilding of Tryon's Palace, considered to be one of the most beautiful buildings of Colonial times, is the outstanding restoration project in our State.

During World War II our members were faithful in answering the many calls to work: helping with the Red Cross projects and the Canteen Service; buying and selling bonds; giving scrap of all kinds; donating to the Blood Plasma Fund, and cooperating in other community services. Boxes of clothing, dried foods, and canned foods were sent to Europe through authorized channels. Many articles were knit for the men in service.

The Society contributed toward the purchase of an X-Ray Field Unit Machine which was bought by the National Society and presented to the Surgeon General of the United States Army. This was given in honor of our National President, Mrs. Albion Boothby.

Several albums of records were purchased by our Society and placed in one of our Government hospitals for the use of the patients.

Contributions have been made to all of the National projects.

Our members participated in the observance of National Holidays by attending appropriate exercises and by taking part on programs. National Defense talks were made by some of our members at club meetings and schools.

We have had yearbooks published almost every year.

We now have a member, Mrs. Benjamin Wyche, on the National Board as Organizing Secretary.

Outstanding Achievements of the Tennessee Society
Tennessee Organized, March 30, 1937

From 1941 throughout the duration of World War II, the Tennessee Society Daughters of Colonial Wars had as its prime activity participation in all phases of war work.

Since the close of the war, Tennessee Society has concentrated its efforts on helping with the entertainment and morale building program at the Disabled Veterans Facility in Johnson City, Tennessee. To accomplish this purpose, it was suggested by the American Red Cross Field Director at the Facility that our Society assist in the recreational program. It was decided that our part of the recreational program should be "Birthday Parties" at regular intervals to celebrate the birthdays of any of the men in the Orthopedic Ward having had a birthday during the preceding month. "Easter Gayeties" was the theme of the first Birthday Party held in the Main Hospital. A musical program "Melody Time", by a young girl and her accordian; a skit "Miss Easter Parade", hats made of crepe paper by the bed-ridden veterans and modeled by other veterans; a birthday cake; refreshments and prizes made this party such a happy event for the men, that it made the D. C. W. realize that a wise decision had been made in choosing this as a project. These "Birthday Parties" did much towards boosting the morale of these very sick men and were also greatly appreciated by the Management of the Veterans Facility. The cost of the Parties ($10.00 each) was defrayed by voluntary contributions from individual members of the Tennessee Society Daughters of Colonial Wars.

Regular meetings were held.

A Tennessee Year Book was published in 1947.

The Tennessee Society endeavors at all times to co-operate and carry out the program of the National Society and gives financial assistance to all projects sponsored by the National Society.

Members of the Tennessee Society who have served in the National Society are; Mrs. Warren H. Hollinshead, National Councillor. Mrs. Hollinshead is now Honorary President of her State and a former National Chairman. Miss Bessie Magill, Mrs. Walter J. Johnson, Mrs. F. L. Weiland and Mrs. Allen Harris, National Councillors.

Outstanding Achievements of the Kansas Society

Kansas Organized, March 26, 1938

Kansas Society was organized by Mrs. John W. Kirkpatrick of El Dorado, with a membership of 24. The Society has now admitted 83 members.

STATE PRESIDENTS

Mrs. John W. Kirkpatrick, *Organizing President*	1938-1941
Mrs. Garland P. Ferrell	1941-1944
Mrs. Robert W. Diver	1944-1947
Mrs. Wallace E. Haines	1947-1950

NATIONAL OFFICERS

Third Vice President—Mrs. John W. Kirkpatrick, 1941-1944
National Registrar—Mrs. Garland P. Ferrell 1944-1947

A change in the National By-laws made at the Annual Council meeting in April 1944, made the approval of the National Registrar necessary for admission to membership. Previous to this time the approval of the State Genealogist was final. Mrs. Ferrell was first National Registrar to serve under this amendment.

The Kansas Society has always given consistently and generously to all the projects of the National Society and to the workshop for the blind in Wichita. During the war, members gave unstintingly of their time and dollars to Red Cross, U. S. O. and many other activities.

The Kansas Society has furnished a room with lovely antique furniture at Shawnee Mission, one of the oldest buildings in Kansas—twice used for State Capitol.

We have added records and books to the Genealogical Department of the State Library at Topeka, and the City Library at Wichita.

We revised our By-laws to conform with National.

One of our members, Mrs. Jonathan B. Carter, was privileged and honored by christening the Liberty Ship, "Mary Brickerdyke" at the Kaiser Ship Yards, Richmond, California, October 27, 1943.

The Society is always well represented at the Annual Council meetings of the National Society.

BANNER
OF
GEORGIA SOCIETY

Outstanding Achievements of the Georgia Society

Georgia Organized, April 8, 1938

Accomplishments since 1941: The purchase and presentation to the State of Georgia (at that time the only signature on file) of the signature of General James Edward Oglethorpe, Founder of Georgia. The Wilkes County, Georgia Records (now out of print) of two volumes were presented to the Georgia State Department of Archives and History in honor of the National President, Mrs. Frederick Sapp. The Society has presented a medal each year from 1939 to 1949 to the Cadet Officer R. O. T. C. in the Georgia State School of Technology with the highest rating of outstanding leadership.

The Society has had two members nominated by the Atlanta Committee as Outstanding Women of the Year: Miss Byrd Blankenship in 1945 for war work and Red Cross; and Mrs. Robert Jones, Jr. in 1947 in Civic Affairs.

Historical and genealogical books have been presented yearly to the Carnegie Library in Atlanta and to the State Department of Archives. The Society purchased 3 War Bonds and made donations to all National projects.

A marker was placed at "Talking Rock" on the Cisca Trail and accepted by the State. Our members have served as Grey Ladies during this War, caring for the needs of the Veterans of World War I and II. A yearbook was published for 1947-1950.

The Georgia Society wishes to go on record as approving of the Act of the Georgia Legislation requiring the Oath of Allegiance and Loyalty to the Constitution.

OUTSTANDING ACHIEVEMENTS OF THE ARKANSAS SOCIETY

ARKANSAS ORGANIZED, JUNE 15, 1939

The Society Daughters of Colonial Wars in the State of Arkansas (1941-1949) have maintained their interest in the work and increased in membership.

Our activities during World War II consisted of: Red Cross work; Bundles for Britain and Relief; U. S. O. and other defense work; contribution of money to Percy Jones Hospital; purchasing of bonds and stamps; books given for Merchant Marine Library; contribution of money toward National Project for surgical instruments for Mare Island Hospital; furnishing day room at Camp Robinson; decoration of same for Christmas, 1942, making a most festive appearance and adding to the pleasure of the boys away from home. Space prevents everything we did being reported.

Our programs, for the most part, consisted of papers and discussions of the various phases of "Women of the Colonial Period". One program was on "French and Indian Wars".

We have always elected delegates and alternates to the meeting, U. S. D. C. W., in Washington, D. C. Our officers have been faithful and efficient. Our Organizing Honorary President, Mrs. J. F. Weinmann, has been our adviser and ever ready to assist. The Society, in appreciation of her work, has been happy to honor her by gifts of flowers, china, sterling silver, a rare clock, and making contributions of money to the Cancer, Readers Digest Records for the Blind in Arkansas and Oklahoma and Percy Jones Hospital. We, as a State, were signally honored in her election as Third Vice President General.

Our meetings have been in the homes of our members, though widely separated, except twice when we met at Hotel Sam Peck in Little Rock, Arkansas. The March meetings are always held in the lovely, hospitable home of our Organizing Honorary President, Mrs. J. F. Weinmann.

We come, in remembrance of our members who have answered the Father's call, from the cares of today and the burdens of tomorrow, to find everlasting life in His House of many Mansions. Their passing has brought Heaven nearer and made it dearer as we think of them in that Home Complete.

OUTSTANDING ACHIEVEMENTS OF THE INDIANA SOCIETY

INDIANA ORGANIZED, SEPTEMBER 23, 1939

Mrs. Eugene H. Darrach and Mrs. William R. Davidson had for many years been members of the Massachusetts Society Daughters of Colonial Wars. In 1936 Mrs. Darrach became Organizing President for the Indiana Society Daughters of Colonial Wars.

On September 23, 1939 we had the required number for membership and became a State organization. For the next year we were very active.

In March, 1941, our beloved President, Mrs. Darrach, died and soon after that our other leader, Mrs. Davidson, died. Mrs. D. S. Robinson served as our next President and then she moved from our State. Mrs. Edward J. Hecker was our next President. At present our President is Miss Mary Hostetter.

During the war years we aided in local patriotic efforts, assisting in Red Cross work and helping in service centers. We also made our contributions to National projects.

Our scattered State membership makes it difficult to have many meetings. We do hope for increased membership and meetings in the future.

The outstanding meeting in our ten years of organization was in June, 1948 when our National President, Mrs. B. F. Buckley, was here for a guest day meeting in Indianapolis.

OUTSTANDING ACHIEVEMENTS OF THE NEBRASKA SOCIETY

NEBRASKA ORGANIZED, SEPTEMBER 30, 1940

As these were war years our achievements have been directed toward war projects. The Society and members bought bonds liberally. All members did war service, each according to her talents and to the extent of her physical ability.

We subscribed to all National projects generously—X-ray Field Unit; occupational therapy and rehabilitation at the Naval Hospital at Mare Island and at Percy Jones Hospital.

We also gave to our own Nebraska Veterans Hospital at Lincoln; to the Sacombe Park Nursery for the bombed children of London; to the Children of the American Revolution Ambulance Fund; to the American Indian program and prizes for Historical essays. Some members also took time to compile stories of their ancestors as an historical project.

Mrs. Reuben E. Knight, Organizing President, Mrs. Albert J. Rasmussen and Mrs. Arno A. Bald have been our Council members. Three yearbooks have been published.

We have admitted a total of 72 members: 6 have resigned. There have beeen 7 deaths and 2 were dropped. Five new members were admitted at the last Council meeting and more papers are being checked. Present membership is 57. We have 13 members residing in 9 States outside of Nebraska. The State membership is scattered through 14 towns and cities, requiring many, many miles of travel to attend meetings.

100 supplementals have been accepted by National—a "high light" project that is growing.

Programs at our meetings have been excellently prepared and presented on topics that deal with the problems of the present; stressing the need for greatly alerted citizenship of all members of patriotic societies.

OUTSTANDING ACHIEVEMENTS OF THE KENTUCKY SOCIETY

KENTUCKY ORGANIZED, NOVEMBER 27, 1940

Daughters of Colonial Wars in Kentucky was organized at the Lafayette Hotel, Lexington, Kentucky, November 27, 1940 by Mrs. Benjamin F. Buckley of Lexington as Organizing President. Kentucky has furnished three National Councillors: Mrs. Buckley, Mrs. S. Peyton Welch, Mrs. A. V. McKenna and two National Officers; as our Organizing President, Mrs. Buckley, served as National Vice President 1944-1947 and as National President 1947-1950.

Kentucky Society is proud of the President we have given to the National Society. Mrs. Buckley has spent months and years in efficient and self-sacrificing labor to build up patriotic sentiment in various organizations. Her charming personality, the poise of her bearing and the grace of her manner have endeared her to all her fellow-workers. As the culmination of her earnest efforts she organized our State Society. We, one and all, of Kentucky deeply appreciate the fact that the National Society has recognized her talents and we are happy that her administration is the flower and fruit of her life-work. It is a privilege to share her with the other States as the guide and monitor of the National Society. We can well say of her: "Many daughters have done virtuously but thou excellest them all." Among the achievements of this, her administration, is the addition of two new State Societies and the appointment of two other Organizing Presidents. Kentucky has had the pleasure of having two Organizing Presidents join her Society. During her term the by-laws have been revised and this lineage book is being compiled to be printed.

We have published three lineage books and our by-laws which were in agreement with the national ones and will be changed to correspond with the recent amendments made by the National Society.

One of our special projects was to furnish carefully selected children's patriotic books to the Manchester Street Library Lexington, Kentucky and personnel for a story hour for underprivileged children which the library serves. Subjects, projects and stories fostered by our group had a patriotic theme.

Each year we have contributed generously to restoration of tax books at the State Historical Society at Frankfort.

NATIONAL SOCIETY DAUGHTERS OF COLONIAL WARS

We are now publishing a book which will be finished in the fall of 1949 which consists of hitherto unprinted Kentucky family records. This book will be titled "Kentucky Pioneers and Their Descendants" and is designed to be extremely helpful to genealogists. We feel that it is a worthy contribution to the preservation of valuable records that might otherwise be unavailable to those who need them and would probably be lost entirely. We have received enough material for further publications and hope that we will be able to preserve it in print.

Kentucky now has 67 members and has given money and support to all national projects such as the Percy Jones Hospital rehabilitation program and hope to always do our share in the group which comprises our National Society.

Outstanding Achievements of the Wisconsin Society

The National Society Daughters of Colonial Wars was presented a State Charter, dated May 1, 1945 and signed by Mrs. Frederick A. Sapp, National President, and Mrs. William C. Fox, National Recording Secretary.

On June 8, 1946 a handsome bronze historical tablet was dedicated in an impressive ceremony and presented to the City of Racine by the Wisconsin State Society. The tablet with the D. C. W. insignia at the top was placed on the Main Street Bridge in Racine to mark the arrival of the first white men to the shores of what is now Racine in 1699.

On November 18, 1949, a plaque honoring the Pioneer and Patriot, John Winslow Cotton and his immigrant ancestor, the Reverend John Cotton, was placed in the hallway of the beautiful Cotton House built in 1840 by John Winslow Cotton and which has been restored by the Brown County Historical Society at Green Bay. This placing of the plaque was the Wisconsin Centennial project of the Wisconsin Daughters of Colonial Wars in 1948.

ORGANIZATION OF THE SOCIETY DAUGHTERS OF COLONIAL WARS IN THE STATE OF ALABAMA

Having received an invitation to become a member of the National Society Daughters of Colonial Wars in Kentucky in September, 1947, I accepted and was appointed Organizing President of the Society in Alabama. Consequently I attended the meeting of the National Board in October, 1947. Fired with enthusiasm I returned home in November and began talking "Daughters of Colonial Wars" and contacted those women I knew to be eligible and assets not only to Alabama but to the National Society, D. C. W. On the afternoon of November 11th I met with Mrs. Benjamin, Organizing Secretary, at the Tutwiler Hotel in Birmingham and together we outlined plans for organization.

Our first sets of papers were sent the Registrar General the first week in February of 1948, and on the 28th of that month 6 papers were accepted. On March 30th we had had 20 papers accepted which with my own made 21, and the all-clear signal for organization was given by Mrs. Dow, National Registrar. And so, on April 13, 1948, at 3:00 P.M. a meeting was held to organize formally the National Society Daughters of Colonial Wars in Alabama. Of the 21 members we had 18 present and there were then 6 papers pending.

A short program gave the objects and history of the National Society, and messages were read from Mrs. Buckley and Mrs. Wyche.

OUTSTANDING ACHIEVEMENTS OF THE ALABAMA SOCIETY

Delegates and alternates were elected to the National Council in April. An outline of activities was given by the President and plans discussed for meetings and programs. Fifteen dollars was voted to be used for some project at Percy Jones Hospital. Chairmen for all committees were appointed.

No report of organization would be complete without mentioning the untiring work of our State Genealogist, Mrs. Smith G. Fallaw,—always ready to assist not only in her own work but in everything when called upon. Without her work and encouragement we would never have completed our organization.

The Yearbook Committee consisted of the following: Mesdames Faull, Boykin, Snook and Privett. Due to their good work our first yearbooks were ready in October and copies were sent to all National Officers and Chairmen. Clippings and pictures have been sent to the National Historian. A ritual has been compiled by our Chaplain, Mrs. Smith. Nine Bible records have been sent. We were represented at the 1948 Council by 5 delegates and alternates; although the President was unable to attend due to illness in her family.

In November, 1948, we had the honor of having as our guest our National President, Mrs. Buckley, and her Organizing Secretary, Mrs. Wyche. At this time we entertained at a luncheon at the Mountain Brook Country Club. A tea followed our meeting at the Birmingham Country Club, and after that an informal dinner.

We have had four meetings during the year, and our Annual Meeting in March at which time reports were given by officers and chairmen. Delegates and alternates were elected to the 1949 Council. Our programs have been on Colonial Wars and have been interesting. At our June meeting Mrs. Val Taylor was elected Second Vice President and Mrs. Fallaw elected to the Council. The following members have been added to our roll:

Mrs. J. F. Comer
Mrs. W. K. Privett
Mrs. E. T. Brown
Miss Nettie Edwards
Miss Elizabeth Lusk
Miss Annie E. Wheeler

We now have a membership of 32. Fourteen Supplementals have been accepted.

Three National Board Meetings have been attended by the President. The 1949 National Council was attended by 5 delegates and alternates in addition to the President.

Alabama takes a great pride in membership in the National Society Daughters of Colonial Wars. Our members feel keenly that our organization is what we make it, and we firmly intend that it shall lead all other societies in our State.

IN MEMORIAM

Fast as the rolling seasons bring
The hour of fate to those we love,
Each pearl that leaves the broken string
Is set in Friendship's crown above.
As narrower grows the earthly chain,
The circle widens in the sky;
These are our treasures that remain,
But those are stars that beam on high.
